Terms and Conditions

You have rights and responsibilities as a recipient of financial aid. Read a full description of these rights as well as other consumer information on the Northwestern University website at <http://www.northwestern.edu/sfs/about/consumer-information.html>

Federal and State assistance is subject to funding availability.

All loans are subject to final approval based on criteria set forth by Federal Regulations and the Fair Credit Reporting Act.

Northwestern University Scholarships are funded through various sources including donor supported endowed scholarships.

You must report any additional aid or resources not shown on this Award Notice immediately upon hearing of such assistance and your aid may be adjusted as a result.

Upon accepting your award on CAESAR you have the option to authorize Northwestern to credit the financial aid, including Title IV assistance, against charges on your student billing account. Your account might include charges other than tuition, fees, room, and board. These charges might include, but not be limited to, library fines, parking fines, room damage charges, and health services fees.

Upon accepting your award on CAESAR you also have the option to authorize Northwestern University to release information on your academic activities and achievements to scholarship programs and designated donors for the purpose of allowing yourself to be considered for financial assistance. Northwestern University would also have the authority to inform a given donor that you are a recipient of funding from that donor.

Important Messages

You have been offered your maximum Direct loan eligibility for the academic year.

The scholarship listed on your financial aid offer assumes that you will be enrolled in 7 units each term and so the percent of tuition covered by the scholarship is based on the assumed 7 units. This scholarship amount will be adjusted to reflect your actual enrollment once you have registered for the Fall and/or Spring term. Your Unsubsidized Direct loan eligibility is split into two disbursements. The smaller disbursement will disburse in the fall to cover the cost of the Northwestern University Health Insurance Plan (NU-SHIP). The larger Direct disbursement will be split evenly between the first and second billing cycles. Please note we strongly recommend fully utilizing your Unsubsidized Direct Loans and reducing the offered Grad PLUS loan if you wish to accept less than the full offered loan amount.

Your financial aid award includes a Federal Direct Grad PLUS Loan. Note, the net amount received for this loan is less than the total amount borrowed due to loan origination fees.

Your financial aid award includes a Federal Direct Stafford Loan. Note, the net amount received for this loan is less than the total amount borrowed due to loan origination fees.
