Chicago-Kent College of Law at Illinois Tech
Congratulations and Welcome to Chicago-Kent

Dear Glen,

Congratulations! The Admissions Committee is pleased to offer you admission to the Chicago-Kent College of Law day division for the Fall 2023 semester. We welcome you to our law school community that is distinguished for its innovative programs, top legal scholars, and academically talented students. Your full acceptance packet will be sent to you by mail and we are also including some key information below that you may find useful. Additional information is available on the [admitted students website](#).

We have noted receipt of your application for the Honors Scholars Program. The selection committee will be meeting shortly after the February 17th deadline to select finalists for the program. The committee looks forward to reviewing your Honors application.

In the meantime, we are pleased to award you a Chicago-Kent Merit Scholarship of \$45000 per academic year for a total award of \$135000 over three years. This scholarship is guaranteed each year that you are enrolled in classes at Chicago-Kent with no GPA renewal requirement. Additional information about your scholarship award will be included in your acceptance packet. If you are later selected as an Honors Scholar, your award will be adjusted accordingly.

Visit Opportunities

Choosing a law school is a major decision and we encourage you to schedule a visit to learn more about Chicago-Kent and meet members of the law school community. Please mark your calendar for **Admitted Students Weekend** on Friday, March 31 and Saturday, April 1, 2023. We have a number of other admitted student **visit programs** scheduled this spring and we hope you will be able to join us for one of these events.

You can also schedule an individual visit to Chicago-Kent. We have a number of virtual and in-person **daily visit** opportunities available, including law school tours. You can also watch our **video tour** narrated by two Chicago-Kent students.

Connect with Our Community

We welcome the opportunity to put you in touch with members of the Chicago-Kent community who can answer your questions and tell you more about their experiences at Chicago-Kent. You can submit a **request to connect** with current students, faculty, and alumni through the admitted students website. In addition, a member of the Chicago-Kent community will be reaching out to you shortly to answer your questions.

Congratulations again on your admission to Chicago-Kent College of Law. We are excited about the prospect of your joining the entering class this fall. If you have any questions,
